

Quality Child Care Niagara 2023 Monthly Planner

The intent of the QCCN Monthly Planner is to support programs in developing a customized annual plan to implement the QCCN tools and resources along with components that align with *How Does Learning Happen? Ontario's Pedagogy for Early Years*; such as, observation, documentation, and family engagement. Educators can put a plan in place as a team and utilize the planner as a working document, which fosters a collaborative approach within the program.

Programs can establish goals for each month, plans for the following month, and write down any documentation under Notes. The QCCN Monthly Planner can be posted in the staff room, office, and/or copies can be made to place in a binder for each room (without breaching any confidentiality).
