

Nurturing Brilliant Minds:

A Professional Learning Series for Educators of Infants and Toddlers

The ECCDC has designed this series to offer a variety of sessions to foster conversations around the unique strengths and understanding that infants and toddlers inspire us with.

Rethinking Your Infant and Toddler Environment

This thought-provoking workshop will support educators in considering new ways of setting up stimulating and innovative environments for the youngest children in their care. Join us to discover the many and varied ways in which educators may design environments and materials to enhance the curiosity and wonder of infants and toddlers. Participants will gain strategies for facilitating open-ended experiences that will engage infants and toddlers and support them in taking appropriate risks to maximize learning, and how this aligns with Ontario's Early Learning Frameworks. There will be an opportunity for participants to explore and *Mess About* with the open-ended resources, materials and experiences.

Monday May 6, 2019 • 6:00 to 9:00 pm (6:00pm networking and light refreshments; 6:30pm workshop begins; 9:00pm workshop closing) • Durham Banquet Hall and Conference Centre, 559 Bloor Street West, Oshawa • \$70 includes training booklet, PowerPoint notes and nutrition break • To register, call 905.646.7311 ext. 304, email eccdc@eccdc.org or visit www.eccdc.org.
