Compassionate · Innovative · Professional

Join the Pathstone Mental Health Behaviour Consultant Team for this informative workshop that is back by popular request.

In this workshop participants will gain knowledge to identify the function of behaviour, understand the importance of data collection, and develop strategies to help promote student success. This workshop will also cover Self-Regulation: what it is, why it's important, signs of it, and what we can do in child care settings to promote positive self-regulation skills.

**Monday January 30, 2023**

Presented *Via Webinar*

6:00 to 8:00 pm
