Cultivating a Caring Culture: Tips for Executive Directors, Program Managers and Supervisors *with* Debbi Sluys

A sign of a positive workplace culture is laughter. How much laughter do you hear at your workplace?

This workshop guides Organizational Leaders through important steps to take to make their workplace a better place to be... for everyone. The "Cultivating Culture Through Consideration" illustrates how simple "considerations" can revitalize your workplace and make it like a second, pleasant home to your employees. Debbi shares tips that will make:

- Hiring Practices and Policies more appealing
- Leadership Communication more intentional and positive
- Generating fresh ideas easier and more rewarding

Personal Development & Empowerment Coach

Debbi Sluys specializes in helping people elevate and improve their physical, mental and spiritual well-being, expanding the brain's potential, and with living intentionally in a state of gratitude and kindness. With nearly 30 years experience in early childhood development, Debbi has gathered a wealth of valuable knowledge about the power of mindset, visioning and success. With her background in professional development and skills in public speaking, Debbi can help you use your brain's full capacity to reveal your individual dreams, discover your "whys" and accomplish your personal destiny.
