With an ongoing commitment to support retention and recruitment of Registered Early Childhood Educators and child care staff, Niagara Region Children's Services is excited to be working in partnership with the Early Childhood Community Development Centre (ECCDC) to host the first system-wide Early Years and Child Care Professional Learning Day on **Friday June 23, 2023**.

These last two years have been extremely challenging for all those working in the early years and child care sector. This Professional Learning Day is focused on inspiring and encouraging staff by highlighting the importance of self-care and well-being, and its importance and impacts to their work, and offering engaging reflection opportunities.

The conference registration portal will be available for viewing on **May 8, 2023**. To view the page, we invite you to [click here](#). Registration is open from **May 15-31, 2023**.
