Science & Technology Project Highlights

150

Science and Technology Kits were ordered, compiled and distributed to Niagara's Licensed Child Care Programs, valued at approximately \$150 each

18

Kiwanis Club members contributed over

150

hours compiling the kits as well as providing a rental facility to store the materials for two years and moving vans to deliver materials to the hotel venues as required.

31

Science and Technology training sessions were offered in Welland, St. Catharines, and Niagara Falls

Science & Technology Project Highlights

Over

93

hours of training was delivered through the Early Childhood Community Development Centre.

861

staff of licensed child care programs attended the training sessions

Over

\$900

of science materials were included within the kits at no cost to programs.

More than a

\$40

value in training and materials were provided at no cost to programs.
