

Pedagogical Leadership Post Training Conversation Café

Were you a participant in the Pedagogical Leadership Training that was held on February 1 and 2, 2018 at Centennial College Event Centre in Toronto?

If so, we invite you to join us for a lively dialogue as a follow-up to the training. Patricia Couroux and Ginette Wilson are looking forward to bringing everyone back together after participants have had some time to reflect and reconsider the changing aspects of their roles. The session will provide lots of opportunity for informal conversation related to the ways in which the strategies and ideas that were discussed during the two day professional learning opportunity have inspired thinking and practice.

Our Team is eager to learn more about what pedagogical leaders would like to see as a next step on this continuum of learning!
