

An Introduction to Advocacy: *Celebrating and Advocating for the Early Learning and Child Care Sector*

Join your professional association for a conversation about recent advocacy with and for early childhood educators, early years staff and child care operators. We know that the past year has been disruptive and challenging, and you have all done incredible work to continue to prioritize the experiences of children, families, and your community.

Your voices matter, and what you have experienced guides our path forward. Come hear about our Roadmap to Universal Child Care in Ontario, and let us hear from you about what you need as we move towards a universal system. We want to celebrate you, your work and think together about why advocacy matters to us all.
